CROWN HEIGHTS UNITED METHODIST CHURCH — PASTOR: REV. TRINA BOSE-NORTH

## Rev. Trina Bose North

How many times have you heard someone say, “Jesus died for your sins”? It’s a phrase so common in Christianity that we almost assume it comes straight from the Bible. Yet through Christian history, believers have offered many different understandings of why Jesus died on the cross. In theology, we call this **atonement**— the bringing together of God and humanity, bridging the gap between God and us. In fact, the word atonement can be thought of as AT-ONE-MENT.

How, then, is our relationship with God made right through the cross? Christian thinkers through the centuries have proposed rich and varied images: the cross as victory over evil (*Christus Victor*), as the satisfaction of divine justice, as a moral example of self-giving love, and more. Each invites us deeper into the mystery of God’s grace.

Christianity stands alone among world religions in proclaiming a God who suffers— who is not distant from human pain but enters into it fully. We worship a God who faced the cross and, through it, reveals love stronger than death. This Lenten season, may we ponder the lessons of Jesus and the cross, and may God move us to deeper understanding, conviction, and faith.

Despite the crucifixion's central place in Christian faith, the New Testament offers few clear answers about how Jesus' death saves, or why, exactly, he had to die. The New Testament writers use a host of metaphors—ransom, sacrifice, reconciliation, victory—but never explain exactly how it works or why it had to happen this way. What if that's because we've been asking the wrong question? What if the cross isn't a transaction to be explained, but a living Word from God meant to transform who we are and how we live?

The Ragamuffin Gospel by Brennan Manning.  
 (No need to read in advance.)

A quote from the book:  
 "The ragamuffin who sees his life as a voyage of discovery and runs the risk of failure has a better feel for faithfulness than the timid man who hides behind the law and never finds out who he is at all."

### Souper Bowl Potluck

Join us for a soup potluck on February 8 at noon. Stay to enjoy the meal and the company! Please bring your favorite soup to share.

Dessert: Girl Scout cookies sold by our church's troop. Consider donating cookies for our Mobile Meals clients.

## Worship +12

## Besides worship, look for one other way to participate in church!

## Methodism 101

If you would like to know more about our local church and the United Methodist denomination, join us for a conversation over pizza on **Sunday, March 1 at noon**.

Trina Bose North will briefly talk about the beginnings of Methodism, our distinct theology, and our sacraments. She'll tell a little of Crown Heights UMC's history and mission.

This is for anyone interested in learning a little more, whether you are a long-long Methodist or brand new. All are welcome to join this conversation.

RSVP to Trina for a count and give dietary restrictions.

**The Outsiders:**  
A Broadway Musical is coming to OKC's Civic Center.

**Sunday August 30, 2pm**  
The church is putting together a group. Talk to Trina if you'd like to join us. We will try for the Sunday matinee, cheapest seats in the house!

*Stay gold*

On January 11 at the 8:30am service, a highlight was that these two girls asked to help with worship. They handed out bulletins and served communion.

In the United Methodist Church, anyone can serve communion (clergy, laity, adults, children) because we understand it's not about the person's credentials or knowledge, it's about God's grace. What beautiful theology!

## Finance Update

by Lee Endicott

The 2025 finances are now in the books and the Finance Committee is excited to announce that the year ended on a very high note. We begin each year with a budget that aims at having sufficient income to cover our expenses. However, 2025 ended up being an exceptional year. Thanks to the giving of our generous church members, we ended 2025 with a net profit of almost \$29,000.00! On top of that, we received another \$20,000 or so in rents that aren't reflected in that figure. We also received 98.5% of our pledges, which is a much higher percentage than usual. Non-pledged giving was more than 135% of the budgeted amount.

This year our church was faced with many unanticipated building repairs which we could not have done without our members' financial support. Your giving also allowed Crown Heights to aid others by paying all of our mandatory 2025 Conference Apportionments in their entirety. Those Apportionments are used to help those in need throughout our community, state, nation and world! You also went above and beyond supporting our Christmas offering which was designated for tenants at risk of losing their residences. Last year we budgeted \$6,500 for our Christmas Offering. However, thanks to our members, we raised \$12,816.78, of which \$9,600.00 was donated to Neighborhood Services Organization's Stay Housed Program. The remainder was put in our Mission Designated Fund to help those seeking aid from our church for housing issues.

Finally, I want to thank everyone who returned their 2026 pledge cards. This year, we increased our pledges by more than \$30,000 over 2025. Without your contributions, the church would not survive to continue doing God's work. Thanks for all you do!

*Thank you!*

## Rooms for rent

For those officing out of our building, we want it to be a comfortable, kind work environment. We only advertise through the church, so we attract people who desire community as they work.

We have offices available for rent in the east Youth Activity Building. The rooms rent for \$300 monthly for the offices.

Talk to Trina to discuss your needs.

The rooms have WiFi, light custodial, and are furnished.

## 2025 Apportionment Update

We paid our Oklahoma United Methodist Apportionment in full. Our required Apportionment was \$28,280, but surprisingly, we paid \$30,691, meaning we paid 109% of our requirement. This happened because our members gave through our church to support UM ministries, like Project Transformation, Campus Ministries, Hispanic Ministries, and the OK Indian Missionary Conference.

We also generously gave \$2,363 to Circle of Care, Criminal Justice and Mercy Ministries, NSO, Cookson Hills Center, Skyline Urban Ministry, and Oklahoma City University.

## Stay Housed Offering

This year, our Christmas Offering went to lessening evictions in our community.

We donated \$9,600 to Neighborhood Service Organization's Stay Housed and kept \$3,200 at the church to help people who call upon us in crisis.

The director of Stay Housed, Jessica Earley, spoke with our church about how to help those facing eviction. In OK, tenants can be evicted if they are 14 days behind on their rent (even if deposits cover their last month of rent). Extending that by a week would greatly help tenants understand the process and catch up on payments.

## Service opportunities

### Monthly Missions

#### February

**City Rescue** houses 300 individuals and families per night, and they work to get people into permanent housing (900 people were housed last year!).

- We paid \$200 toward a family's rent & gave kitchen items & some furniture for their home.
- On December 9, our church gave \$450 to get a family's water back on. The mom also left with 3 bags of children's items to be wrapped as Christmas gifts.
- Our church provided Christmas for 2 families and 2 residents at Palo Duro. For the newest residents at Palo Duro, we bought them new linens and kitchen items. We shopped for a family at Che's school, and we brought Christmas to the littles who attend our church- new clothes & new (used) bikes!
- We cooked the Christmas meal for Palo Duro's Christmas party & Whiz Kids' dinner.

## Whiz Kids

by Bruce Pitts

For the 23rd straight year, a fantastic Whiz Kids Christmas party rocked the walls of Fellowship Hall and launched us all into the Christmas spirit. A HUGE Thank You to Brigitte Gean and her crew for decorating the hall (check out the red pickup truck on the stage), preparing a delicious meal, serving, and cleaning up. We served about 120 that night, including the principal and several teachers from Wilson Elementary School and our 20 kids and their families. The party ended with Santa passing out gift bags of books, school supplies, and full-sized individualized beach towels with the kids' names on them. What a joyous event for our neighborhood community!

As we begin the second semester, we will continue to enrich the lives of our wonderful Wilson kids through tutoring and fun. Among Whiz Kids sites in Oklahoma City, we are unique in taking the field trips we do. Thanks to the generosity of tutor sponsors Natalie Neubauer and Linda Newhouse, we will get our kicks, stretches, and jumps out at Dynamo Gym, and visit Full Circle Bookstore, where the kids get to pick out books they want and take an insider's guided tour of the store. We feel strongly that these trips are also educational and bonding opportunities with the tutors and our Whiz Kid family. In most cases with the field trips, the kids are getting exposed to places that they likely would not otherwise get to visit, so we get to practice our manners and demonstrate our listening and good public behavior skills.

While the field trips and celebrations are fun, we still keep our focus on the heart of our mission, which is to help our kids read in a positive and supportive environment. Thanks to Trina and all of our church members who support us with volunteers, financial assistance, and prayers. Together, we are making a positive difference in our community.

## Arts Academy

by Jamie Gross

Our Arts Academy students and teachers came back from Christmas Break refreshed and ready to go! How much practicing was done over the break is unknown, but the students have been working hard during lessons these weeks we have been back at it.

I am truly grateful to Colleen Bicket for helping us understand our budget, which will ensure the program continues to grow, to Sue Fellers and Sharon Mears (aka Mom) for their years of dedication to the knitting class, and to YOU, our church family, for the support you continue to show this very important program! Together, we are developing the God-given talents of these very special kiddos. **Thank you!**
